HOW TO WIN THE BATTLES THAT MATTER MOST

SMALL GROUP LESSON - APRIL 18, 2021

FIGHT FOR YOUR FAMILY

Small Group lessons are based on Pastor Young's weekly messages. Please prepare by listening and taking notes from the teachings each Sunday.

START TALKING

1 What is the biblical definition of a husband and a wife in a marriage? What scripture supports your gender definition of a biblical marriage?

2. What does God's command to the husband and wife in Ephesians 5:33 look like?

3. In sports language, identify the role of the husband, wife and kids?

START PRAYING

- Ask your group members if there is something on their heart that the group can pray about.
