Start talking. Find a conversation starter for your group.

- What are some crazy things you've done to get the perfect photo?
- Describe your perfect day-long date.

Start thinking. Ask a question to get your group thinking.

- How can you tell when a couple is unified in mission and "walking together"?
- What are things you love? What are your passions? How could those become part of your mission?

Start sharing. Choose a question to create openness.

- What is something that has been divisive for you in your marriage? If you're single, where have you been distracted?
- If you're in a relationship, how are you already mission-driven? How could you be more unified?
- If you're single, how can you pursue the mission God has given you in the coming week?

Start praying. Be bold and pray with power.

Father, thank You for the opportunities You've given us to be part of Your good work. Thank You for the people who encourage us and help us in this work. Please continue to direct us and unify us in Your mission. In the name of Jesus we pray, amen.

Start doing. Commit to a step and live it out this week.

- Write down your mission in a sentence or two. If you're married, or in a serious relationship, write it together. Then, decide how you want to live it out.
